Must provide a target URL

Required media: .jpg or .png photo (NO TEXT ON PHOTO) with a minimum width and height of 600 pixels, high quality resolution OR maximum :60 .mp4 or .mov video with a minimum width and height of 600 pixels, high quality resolution

Important note: Prior to your post going out, *GaBiz* magazine's Facebook page will need to be an approved business partner in order for us to tag you appropriately. To do this, go to your page, click settings, and select "Branded Content" on the left sidebar. This will open a new page where there is an option to turn on/off page approvals. If page approvals are off and remain off, there is nothing you need to do. If page approvals are on or you choose to turn them on, please be sure to add "GaBiz Magazine" to your approved pages.
